Introduction and aims

We believe that clear, open communication between the school and parents and carers has a positive impact on pupils' learning because it:

- Gives parents and carers the information they need to support their child's education;
- Helps the school improve through feedback and consultation with parents and carers;
- Builds trust between home and school which helps the school better support each child's educational and pastoral needs.

The aim of this policy is to promote clear and open communication by:

- Explaining how the school communicates with parents and carers;
- Setting clear standards for responding to communication from parents and carers;
- Helping parents and carers reach the member of school staff who is best placed to address their specific query or concern so they can get a response as quickly as possible.

In the following sections, we will use 'Parents' to refer to both parents and carers.

Roles and responsibilities

Headteacher

The Headteacher is responsible for:

- Ensuring that communications with parents are effective, timely and appropriate;
- Regularly reviewing this policy.

Staff

All staff are responsible for:

- Responding to communication from parents in line with this policy and the school's ICT and internet acceptable use policy;

- Working with other members of staff to make sure parents get timely information (if they cannot address a query or send the information themselves).

Staff **will not be expected** to respond to communications outside of school hours - please allow up to 48 hours for a member of staff to respond to any communication (working hours 9am- 5pm) or their working hours if they work part-time or during school holidays.

We know that parents and carers have busy lives and often the only time you sit down to send emails will be “out of hours” for our teachers. We respectfully ask, therefore, that you do not expect a reply from the school office or your child’s teacher out of their contracted working hours. We support the importance of our staff maintaining a work–life balance that sustains their emotional, physical and social wellbeing and we appreciate your support in doing the same.

Teachers are very busy during the school day and may not always be able to respond to, or resolve, your request immediately. Please be patient, our teachers will respond to you as soon as possible.

Parents

Parents are responsible for:

- Ensuring that communication with the school is respectful at all times;
- Making every reasonable effort to address communications to the appropriate member of staff in the first instance;
- Responding to communications from the school (such as requests for meetings) in a timely manner;
- Checking all communications from the school (/ class Dojo, website, ParentPay).
- Any communication that is considered disrespectful, abusive or threatening, will be treated in line with our Home School Agreement/ Parent Code of Conduct.

How we communicate with Parents and Carers

The sections below explain how we keep parents up to date with their child’s education and what is happening in school.

Parents should monitor all of the following regularly to make sure they do not miss important communications or announcements that may affect their child.

Email (Via ParentPay) We use email to keep parents informed about the following things:

- Upcoming school events;
- Scheduled school closures (for example, for staff training days);
- School surveys or consultations;
- Class activities or teacher requests;
- Monthly newsletters from the Headteacher;
- Home learning plans;
- Absences;
- Trips and visits;
- Emergency school closures;
- Payment reminders.

Text Messages(Teachers2ParentsApp)

We will text parents about:

- Payments for trips, school dinners, absences (if not reported);
- Short-notice changes to the school day;
- Emergency school closures (for instance, due to bad weather).

Please note that text messages are kept short and direct as the number of characters is limited to help keep text messaging costs down. If you do not seem to be getting any text or email messages, please contact us and we can investigate the reason why.

Text Messages (Class Dojo App)

- Quick messages direct from the class teacher (not for reporting absences);
- Not to complain or raise any concerns;
- Celebrating achievements (star of the day, work to be proud of).

- Events

School calendar

Our school website and monthly newsletter includes a full school calendar for the term.

Where possible, we try to give parents at least 2 weeks' notice of any events or special occasions (including nonuniform days, special assemblies or visitors or requests for pupils to bring in special items or materials).

Any such event will be included in the school calendar via the school website and newsletter,

We send the following letters home regularly:
