10<sup>th</sup> July 2026

**Dear Parents and Carers,**

I am delighted to share some exciting news about our Wraparound Care provision for the next academic year.

Over recent weeks, we have been interviewing candidates for our wraparound care team. The process attracted a strong field of applicants, and I am pleased to confirm that we have appointed a dedicated and enthusiastic team who will be leading and supporting our provision from September.

Our aim is to provide a safe, nurturing and engaging environment for children before and after the school day, offering a range of activities that promote wellbeing, creativity, physical activity and social development. The new team brings a wealth of experience in working with children and shares our commitment to ensuring that all pupils feel happy, supported and valued.

From September, our Wraparound Care provision will continue to offer:

- **Breakfast Club** 7:15- 8:40am before school, providing a healthy start to the day and a calm environment for children.
- **After-School Club** 3:25-6:00pm with a variety of structured and free-choice activities.
- Opportunities for arts and crafts, outdoor play, sports, games, reading and creative projects.
- A welcoming and inclusive atmosphere where children can relax, learn and have fun.

To make booking and payment as straightforward as possible, we will be using **Class For Kids** for all **Breakfast Club and After-School Club bookings and payments**. Parents and carers will be able to book sessions, manage bookings and make payments directly through the platform.
